Gulliver's Travels

My father had a small house in Nottinghamshire. I was the third of five sons. When I was seventeen years old, I was sent to Mr. James Bates, a well-known doctor in London, with whom I worked and studied for four years. When I left Mr. Bates, I began to work as a ship doctor on the Swallow. (1) C After that I decided to stay in London. I bought a part of a small house and married Miss Mary Burton. But life in London was not easy. (2) B. I spoke to my wife and some of my friends, and decided to become a ship doctor again.

I agreed to go with Captain William Prichard, who was making a voyage to the South Seas on board the Antelope. We started from Bristol on the 4th of May, 1699. (3) E. But when we were sailing across the Indian Ocean, a terrible storm began which carried our ship to the east for many days. Twelve of our sailors died of hard work and bad food, the others were ill. On the 5th of November which was the beginning of summer in those parts, our ship struck a rock. (4) A. I cannot tell what became of my companions, and of those sailors who remained on the ship and on the rock, but I think that they were all drowned. I swam where the wind and the waves carried me. I was very tired, but just when I could swim no more, I felt the bottom with my feet. (5) D. I walked a little inland, but didn't see any houses or people. I lay on the grass, which was very short and soft, and slept more than nine hours.

- A. Soon I found I could not make enough money.
- B. I sailed for three years and a half on that ship and made voyages to the Mediterranean Sea and some other parts of the world.
- C. I walked nearly a mile in the water before I got to the shore.
- D. For a long time the weather was fine.
- E. I got into a boat with five sailors, but soon our boat was overturned by a great wave.

MY TRIP TO CANADA by Tessa Watts

I had a great time on my adventure trip to Canada. I went with two teachers and all my classmates. I missed my family at first but by the end of the holiday, I didn't want to go home!

On my first day, we went on a really long walk in the mountains. We had to carry all our things in bags on our backs which was hard work but we never got bored because we all chatted the whole time. We had a rock climbing lesson just before our picnic lunch and later that afternoon we arrived at a lake where we camped for the night. Three of my classmates tried to fish, without success! I helped build the fire. The teachers and two of the older students made supper, then we sat in our blankets around the fire and sang songs and made wishes in the dark. We decided not to sleep inside the tents, but outdoors because we wanted to look at the stars. Some of the boys made "bear" noises trying to make us afraid, but we were still laughing at midnight because we were having so much fun. I'll never forget that day.
